Invitation for the first meeting on the physical manifestation of the Oasis Project September 28, 2013

We are going to have the first Oasis meeting to discuss the basic physical layout and concepts of the project. Therefore we invite all people who want to use their imagination and who are interested in the manifestation of Omneec's Oasis (see www.the-oasis.info and www.omnec-onec.com/projects).

The following is needed for the first steps:

- ✦ Architects and landscape gardeners to create a small scale model of the place and a virtual computer concept
- ✦ People who have experiences with non-profit organizations and/or functioning communities and/or spiritual centers
- ✦ People who are interested in helping to design and create a new website (New domain www.omnecsoasis.org)
- ✦ Legal advisors for establishing a non-profit organization
- ✦ People with managing skills to help set up rules and regulations in accordance with the basic spiritual ideas of the Oasis to harmonically run such a place
- ✦ People who have knowledge or/and experience about such large available properties
- ✦ People who can imagine and visualize a "Pre-Oasis" on a smaller scale as the first step leading to the eventual, huge concept
